

Book 36

70

Trying to be Nigerian Part 1

1. I admire the way Nigerians discipline their children.

It is something else and these days I don't have much words for this group of people (in general) except for love and permissible veneration to those that deserve it

Wa Allahu A'lam

May Allah guide us all.
may Allah have mercy upon us all

And May Allah allow us to have mercy upon each other Ameen
